# WELCOME

Thank you for your interest in The Inlet Sports Lodge's venue for your special event!

The Inlet Sports Lodge offers the perfect space for anyone seeking an intimate and unique atmosphere— whether it be for a small reception, rehearsal dinner, luncheon, anniversary or birthday party, or Holiday celebration. The venue includes our 1600 sq./ft. outdoor Courtyard and 850 sq./ft. adjoining indoor Club Room.

By itself, the indoor Club Room can comfortably seat 25 people. The outdoor Courtyard can comfortably seat about 25 people as well. **Both areas combined** can hold a maximum of 75 people with heavy hors d'oeuvres, or 40 people for seated dinners.

We have two exclusive catering options for you to choose from that can assist you in all the details for your special day. Our caterers include our on-site restaurant CŌSTA Coastal Kitchen & Bar—specializing in fine, Italian & Seafood Cuisine, and Inlet Affairs Banquet & Catering, located one mile north of our property, across from the Murrells Inlet Marshwalk.

While we do not have a designated event planner here on-site at the Inlet Sports Lodge, the caterer of your choice will be happy to assist you in determining all of your culinary needs, décor, seating arrangements, and fine tuned details.

## ACCOMMODATIONS

The Inlet Sports Lodge offers twenty-nine standard Deluxe Studio rooms and five Luxury Suite Rooms. The Lodge is within minutes of some of the area's best dining, area attractions including Huntington Beach State Park & Brookgreen Gardens, and is also close to a variety of ceremony spots along the South-End of Myrtle Beach.

As we only have 34 rooms total and our availability can quickly change and throughout the majority of the year, we are not able to offer room blocks. However, you are more than welcome to recommend our accommodations to your out of town guests based on availability. You may call our front desk reservations staff to inquire about rates during the time frame you are booking your event, or visit our website to check rates and view specials your guests may qualify for as well.

### *The Deluxe Studio*

Our standard room is a full efficiency Deluxe Studio and features your choice of a King Bed or 2 extra-long pillow top Twin Beds, as well as a kitchenette with standard refrigerator, microwave, dishwasher, coffee pot and two-top burner stove.

A queen sleeper sofa can be paired with the King or Twin Beds in the Deluxe Studio. Bathrooms are equipped with a shower featuring 4 massaging body jets.

The room comfortably sleeps 2 adults and 2 children. A third adult may be included at a small daily extra-person fee.

### *The Luxury Suite*

For families or parties with 3-4 or more adults and/or kids, we recommend our Luxury Suites. The Luxury Suite Rooms consist of 2 adjoining rooms: the Standard Deluxe Studio (mentioned above) plus an adjoining room that mirrors it.

The adjoining room of the Suite features just a microwave, mini fridge and coffee pot instead of the full kitchenette, and has a regular loveseat sofa instead of the Queen Sleeper Sofa. We have 5 total Luxury Suites.

*\*A light continental breakfast, housekeeping, WiFi & parking all included with your stay.*

For our on-site restaurant, COSTA, we will provide the contact information for the manager as they like to offer a custom menu and pricing to fit your individual needs.

## DO YOU HAVE AN EVENT COORDINATOR?

While we rent our space for your event, we do not have an on-site event coordinator. Most details from food and beverage, alcohol, linens, décor and set up will be decided with the caterer you select. See our recommended vendors list (back of information) for additional event planners we suggest.

## WHAT ABOUT ADDITIONAL SEATING?

Either of our caterers will be able to supply additional tables and chairs, as well as handle all your linens and table set up.

## CAN THE TABLES BE RE-ARRANGED?

In both areas tables may be rearranged, however they cannot be moved out of the space altogether due to limitations of storing the furniture elsewhere on property, and wear and tear on the furniture. We ask that any furniture moved be placed back to its original configuration after the event.
